Their love for people and love for their subject makes Mer & Joanna's courses first rate!

~^~ Brandon Hill, Gardiner, NY

I learned to appreciate the God given ability we have to heal ourselves physically, spiritually, and mentally. This course has inspired me to become a better father, husband, brother, son, human being. Thank You! I hope to teach this and share it with others. This had to be the most fascinating course I've encountered.

C.A.R.E. Rocks!! Joanna's enthusiasm with the Bible Oils and Emotional Release classes is fantastic. Mer & Joanna are incredible in gently guiding hand positioning in VF/RDT - The gentleness made learning easy and open. Both Mer & Joanna love what they do and it comes through loudly. I want everyone to do this class because it's a wonderful sharing with students and teachers.

~^~ Debbie Hurley, Taunton, MA

The CARE Intensive was life changing for me. It was a wonderful experience to be around such caring and enthusiastic teachers and peers. I learned more than I ever thought I would and was reminded of my faith and passion for such a way of life.

~^~ Vanessa Smydra, Preble, New York

Mer & Joanna are very caring individuals who bring this through in their teaching as well as their passion for this work. Thorough teachers with attention to detail, very supportive and safe atmosphere to learn in.

~^~ Francie Goff, Binghamton, NY

I would normally view "chemistry" as a stressful topic; however, Mer made the content enjoyable and very easy to comprehend. He also answered all questions clearly to the class. Mer found his calling! We were lucky to be recipients of the knowledge of Dr. Stewart.

~^~ Marlene Brace, Horseheads, New York

I learned so much about YL Oils, about the 2 therapies and about the Biblical perspective. I felt like not only did I learn a wonderful technique, but felt a deeply spiritual connection to my use of oils with others and in myself. Joanna & Mer are beautiful, faith-filled instructors who deeply care about what they do and who they teach. Thank You! This was life-changing!

~^~ Kathy Ambrosio, Ocean Township, NJ

Mer's chemistry class was excellent. I wish he was my high school chemistry teacher! Joanna had a warmth and compassion and knowledgeable. I feel very blessed to have these two for my teacher.
